Dear JEFFREY E EPSTEIN

We're writing to make sure you're aware that an incorrect card identification number (CID) was attempted during a recent charge on your account.

Because of this error, we couldn't verify our identity and were unable to approve the purchase at WWW.ITUNES.COM on 9/11/2015.

If you did not attempt to make this purchase, please call us immediately at the telephone number on the back of your Card to ensure the security of your account.

As a reminder, you must provide the correct ID when asked during any transaction. You can find the CID on the front of your card, above your account number.

Thank you for your Card Membership. We look forward to continuing to serve you.

Sincerely,
American Express Customer Service
