At the opposite from them you are not dead and the fact that you =onsciously left me like this alone in the road it's the worse thing a =erson could ever do, much worse then everything you've cited above. Yo= don't take care of a girl the way your did and just leave it like thi= to its own destiny, you don't even do this with animals. It's lik= having a pet and then leave it in the street after he has never been thou=ht how to chase, the pet dies. What you are doing it's an indirect mur=er.

You said you are done=with me because of what happened 2 years ago and accused me of being a &qu=t;thief" BUT since then you've still continued to help me, see me=and speak to me. The REAL reason is when I came to see you last time in Pa=is in November and I was upset we never slept together and for THIS REASON=you sent me back to Italy and started detaching from me by saying mean thi=gs all the time because you are a COWARD And all you told me was BULSHIT a=d LIES.
