Jeffrey,

The Minor Permit for GSJ we are applying for will be for the following items:

- 1 North Terrace (formerly heli-pad)
- 2 Pool on main beach.
3. Quonset hut erection on Christmas Cove service area, and one next to the=br> current solar shed.
4. Top of island tennis court.
5. Flagpole area deck.(waiting on BLUA for height).
6. The three docks will be put in as a major permit by Amy Dempsey (I understand this was done already).

The tennis court location needs to be clarified. I will send a site plan an= circle the possible locations. In order to complete the application for the=br> minor permit, I will need you or someone with your power of attorney to sig= the application as applicant and owner. I will also need tax clearances fro= the Lt. Governor's Office for the property taxes and the Certificate of=Good Standing for the LLC. We will also need the "CZM" package from th= Lt. Governor's Office. Finally, we will need a tax clearance letter from IR=.
