Jeffrey

attached photos of Stipa Grass for our review.

the order came in earlier than indicated last week

Sincere apologies -ve had to order more stipa grass for this project
I=screwed up the count, it should have been 1000- 5 gallon plants not 200
the existing order will only fill the four =smaller beds closest to the center circle.
the inner =ircle will take 115 plants per bed
the outer =ircle will take 140 plants per bed
Extra Cost: =9750.00
The plants are on hold at the nursery in =BQ
Again my apologies
Is it ok to proceed?

regards Brice
