I asked you what happened and you said=nothing. I didn't know you had put in such time and effort. I later learned=you had had a phone conversation with him. I don't like to use your time or=cause you stress and that is generally why I try my best to stay away from y=u with any problems related to men, school, visa etc. Honestly it was=a shock to me and difficult to hear that another person I have trusted and h=ld in high regard may not be who I thought they were, and my reaction was t= that and not thinking of the time it had taken to find out. Honesty, integ=ity and truth are obvious givens to me and I thought for most people, and i= seems like each day I am learning that those things that I thought to have=are actually rare qualities in people. I have the deepest gratitude to you f=r all that you do for me and all that you give me every single day. I don't=want you spending your time on me.
