Subject: Zorro Home

Jeffrey,

Thank you f=r your kind thoughts in regards to Zorro home, as you kno= I and my family cherish this property and the Shangri-La =ou have made it. My thoughts regarding the future of =his property if you sell would be Water rights. Water =has always been an issue for my home, currently water is =upplied from Ranch Central to the property. If you sold Zor=o, I would think offering Zorro Ranch including a Tennis co=rt and guest home would be a plus as you know, If =nother owner took possession I could possibly loose water=20to the house. In 2001 I drilled a 1700 foot w=ll, only to find 200 gallon per day water source on th= 40 acres.

I am fine with any decision you ma=e in regards to its future and what ever asset you may =hink it holds for me.

thank =ou again for even considering the Zorro home.

&nb=p;

Respectfully,

Larry
