I did speak to Josh,,  
Below is his email,

He informs the seller is motivated,, Josh believes the selling price would be north of \$20m, (which means nothing), he says his closest completion BBJ is Gary Roxburgh's Las Vegas BBJ, Bloomer DeVerre brokers,, Josh has sold Royal Jet planes before they started in house brokering,, =div id="AppleMailSignature">

Larry, I just called you. They are motivated to get it sold and we just lowered the price from a published \$27.5M to an unpublished, but official new asking price of \$22.5M this week. If you're interested I encourage making an offer. Specs and photos are attached and here is a link to the listing on our website to see a video about it:
