Sorry I didn't call you yesterday. I am so busy, which is the good news.

Thank you so much for protecting my meager interests.

Hopefully my dispute with my brother is over soon and I get more money to discuss investing...Jeffrey Epstein has been an enormous help as well.

Will speak to you soon.

Peggy

Peggy,

Thank you very much for inviting me to the preview of Fury. I thought the movie was extremely well made, and manage to keep the suspense until the very end.

I am also watching the markets, and wanted to say that, with your large allocation to high quality municipals and cash, you are somewhat immune to the recent turmoil, and a further downturn (if it happens) will give you an opportunity to buy into the stock market in the form of indexed funds.

Best Regards,
