Yes, I received it, but it was not 100% clear to me, so I am asking for your clear direction. If you wish to keep the one we bought or go with the one below?

Jeffrey,

Eileen is out of the office this week and although I am fairly confident you approved the faucet that we put in, we will order a different one and deal with the one we installed after Eileen gets back so that we can verify.

Please note as a matter of Reference only, the image directly below is of a G650 aft lavatory faucet.

This being said, do you want us to keep what we installed or order and metal plate the faucet below?

Best Regards,

Eric
