Jeffrey,

Thank you for your kind thoughts in regards to Zorro home, as you know I and my family cherish this property and the Shangri-La you have made it. My thoughts regarding the future of this property if you sell would be Water rights. Water has always been an issue for my home, currently water is supplied from Ranch Central to the property. If you sold Zorro, I would think offering Zorro Ranch including a Tennis court and guest home would be a plus as you know, If another owner took possession I could possibly loose water to the house. In 2001 I drilled a 1700 foot well, only to find 200 gallon per day water source on the 40 acres.

I am fine with any decision you make in regards to its future and what ever asset you may think it holds for me.

thank you again for even considering the Zorro home.

Respectfully,  
Larry
