If you hear about another camp =r program that you want to consider, or you just want to explore other opt=ions, we would greatly appreciate it if you would contact us first; we will=be happy to discuss the program with you and get you that information. We =ould also appreciate it if you do not share with friends or acquainta=ces any of the information we are sending you. Please pass along our name =nd phone number so that we can help them as well. If you sign up for a progr=m, it's very important that you put our name down where it asks =E2 how did you hear about us". Thank you.
