SAM HARRIS: sam@samharris.org

DINNER: Not ready for a big dinner. Still doing medical/dental maintenance and not at all in the right mood (although there's no bad news re neck, just arthritis). Also I find that I am over-exposed - too much attention, thus, for no other reason, enemies. Goal is to be quiet for a while other than master class type stuff.

NEWS - Fantastic 2-page profile of Max's client Jennifer Doudna on page 1 in today's NYTimes. This is the biggest thing happening in science and will make people forget about robots and AI dangers: SCIENCE TIMES, MAY 12, 2015, P D1-2. Buy actual paper to see the play the NYT gives his story
