I never understood w=y we cannot communicate like normal people do and why I cannot talk to you=on the phone. I would have really appreciated to send you my list expenses=if in return I had feedbacks of you and we could discuss on a regular basi= (not only about my statement and money) but about other things in life =o that I could learn and grow as a person. Unfortunately this was not the =ase since there was zero communication from your side (even when I was sen=ing you my statement) I had no idea if what I was doing was right or wrong= I tried to be careful. The fact of not hearing from you and having to sen= you just my statement would make me really upset because as I told you ye=terday I felt it was the only tie that was left between us since you new n=thing about me and again my emotions took control over everything else. =A0
