Hey all, Jeffrey's in Cambridge on the 6th and on the 27th =f April. I'm out of town, but if you're around, it might be worth =eeting.

Jeffrey, Ed and Hugh are working on the Center for =xtreme Bionics which would probably be interesting for you.

I'm =lso adding Nicholas and Marvin to this thread since they're now both =uch more engaged at the Lab than they have been before I came and I =now you know both of them.

But lets also definitely plan a trip =hen I'm in town and I'll try to hunt you down in NYC as well.
