Subject: Port business opportunity

Dear Tom

I would like to discuss an existing dpworld port business with =ppportunity with you

This is a port we own a controlling 35% already and manage &nbs=;it will not require much investment from you but being owned partly by an=American company will protect us from the government interference when is = good time to call and if you are anywhere in Europe or Asia I will come to meet you personally

Yours

Sultan bin sulayem
