in doing a bit more research noticed that the NV Cargo is actually longer 241" vs 224" for chevy  
additionally the garage door opening at 358 El Brillo is only 83" high and both vehicles are 85" so it  
would not fit in garage

please advise which vehicle to pursue or something new..  
thank you

2017 Nissan NV Cargo  
Van
