Perfect, I just want to ask if it would be possible for your driver to pick us up and take us home tomorrow. I know it is late but Chaslin seems to be crashing and I know the ranch visit would do him good, but he just hosted 10 patrons, cooked all afternoon, they wouldn't leave..well you know... If its possible, that would be amazing, so let me know. I just now, FINALLY said goodnight to the "guests", but I am really worried about him.....heart racing etc, no sleep...I would get cash for the driver...Maybe I am overreacting but I think it would be great to have this. He certainly will not allow me to hire a driver but..if you "sent" one.....
