Good Morning Mr. Kahn,

</=p>

I was curious if the opportunity we discussed is still available since I am still actively search=ng for something new. I do not see the Florida Keys position working out since they are not anywhere close to what I am currently making. I was willing to take less but they didn't meet that. I keep getting offered perks li=e a one bedroom condo and a dock for my boat which almost pulled me in. So Friday a f=w of us met with a company rep starting a new multi unit complex in Belize who=is in need of people to oversee this and other projects. They say work permits will not be an issue and after a year we can apply to become a resident, wel=dual resident. While that all sounds good and I am always looking for my nex= adventure, I think would rather keep my feet in the US.

Thanks, Joe
