Especially RO and S=itch Gear Noting Switch Gear issue star=ed in 2013 and RO in 2015 I addressed t=ese issues Nov 2016 after finding out that basically nothing was working, n= PMA being completed and everyone was blaming someone else for the issues o= ignoring it totally rather than trying to resolve them

I'm looking for lo=g term resolve and relationships so this does not happen to you again =/div> Working extremely hard to save you expe=ses that companies where trying to charge you. Doing all of this with very l=ttle support and working remotely to resolve these issues

Karen will=be forwarding the Project Report noting all of this history, so you may rev=ew Regards Brice
