Dear Mr. Epstein,

I can't begin to express my appreciation to you for allowing us to stay in your apartment. Your home is beautiful and the location is so convenient to Memorial Sloan Kettering. Even though my son and I are going through this horrible time, it is so nice to know that there are generous, thoughtful people who can make a terrible situation a little easier.

I hope we can meet sometime so we can thank you in person.

Fondly,

Roberta and Matthew Lehrman
