I do not want that pile of crap that=we where given and stacy has many questions regarding -- that the rud=accountant said we will get the answers when we get them

And as I said to you earlier

Please tell this accountant to respond today as he has had the=request from last week - or we are replacing him  
I asked you david -earlier today

A complete understanding of the AP for construction and hotel = Total balances

Then I asked you f=r a understanding

How when we nee= 4 mm to complete construction and your asking to raise 2 more mm

When you pulled in the first 2 mm and you s=y you in addition to thisyou have put on your Amex 900k which added up to 3=mm

I'm asking how can we have all these=delinquent AP items at both hotel ops and construction when we have funds o= an additional 3 mm

You said --to me to=ay --you would write this all out - today and forward

What is the issue vs what you said you would have asap t=day- sent to me ?

Okay

As you know all these records are available a=d have been given to  
Alan, Stacy and Howie

I am making you a copy of all the binders so t=at you have it personally and I will take you through it so there is a comp=ete understanding

In addition everybody will get an update pack=ge on June 15

for you  
today

David. We are starting  
Mostly meat today so you should wait till next round that will include half be more productive  
Also need the full disclosure asap as you said you would do - on all funds so we can review later
