In fairness to me,  
You asked for this as we were crossing a stre=t and I tried to explain it to you  
and thought it better to draw you a pict=re, while we sat together

As you know the bank did not fund the hotel p=yroll last night so I had to make  
sure that got funded which I did personal=y

So I made a choice which took priority

I will bring the big picture up to date in a f=rmat that I think you want to see

From our brief conversation and your email t=is is what you want to know

- 1.Total cost of project
- 2.Breakdown of those costs
- 3.Funding to date of those costs
- 4.Balance what's left to fund
- 5.How does balance get funded
