Subject: gratitude

I just wanted to wish you a wonderful Chanukah and Christmas, dear Jeffrey. Thank you for being so patient about the LA house selling (we have a possible buyer on the line) and for making this house we are in possible. It is the greatest present of all. I am so happy here and Dylan is thriving. Please come see us... come see the trees and the stars. They are remarkable.

I miss you and hope that you are having fun wherever you are. xoxox P.S. My cell phone is out of commission until next week when I can replace it.
