Subject: Re:

Are you up? If not, I will call in the am when I get up...early...can't believe I missed you. I did not really think you were coming. Karen Elson, the red head model singer...just divorced from Jack Black was there...chatted her up all night. She is very talented.

Peg

I can't believe it. I am now in the restaurant on the left...Tom Hooper, director of King's Speech here. Mark Ruffalo...a ton of models. Come back and eat with Roger Friedman and me now.
