**Subject:** NY trip

Hey Jeff. I'm in the thick of things with my company sale. It's down to two: Clear Channel and Lamar, with upfront (CBS) having a ROFR. We are in a good position.

It's getting down to the wire now. We are in anticipated range. Very strong multiple.

Jeff: We found a great 3 bdrm apt at the AKA residential hotel at W. 8th e/o 5th Ave. Next to the Paris movie theatre across from Plaza. We'll be there from 5/21 - 5/1.

6/1 returning to Dallas. =o:p>

Question: Would you be willing to or are you able to lease your small aircraft for the trip to Dallas on 6/1. I will pay the going rate for such an arrangement. If no, I think I can lease a

Citation based in Dallas. I'm trying to avoid the chaos at LGA, TSA, etc. I'm a big boy, I know that the cost would be and this is one time that it would be worth it to do. Please advise.

So what else do you have?
