Yes. She's early on her career, but I think that her =ynthesis if design/engineering/science/art, if done well, will be =interesting. I'm getting her to help with Tokyo's 20 =ear plan. She's working with Mori Building, who Tom Pritzker is =connected to. They love her work, but they're a bit stingy.

Yeah, the glass stuff is =till in the engineering side, but once she masters the engineering =round it, she'll take it to the next level. She's very =ood at is getting other people at MIT to collaborate.
