[REDACTED] sent [REDACTED] a message saying you wanted a ranch black and white photo to come to LSJ. To clarify, you want it 60"x100" in size? and is this the photo you want?  
That size is too big for our printer and will have to be outsourced to print.. I'm not sure I will be able to get it by Wed or Thursday afternoon but can try. Do you want it on photo paper or canvas?
