**Subject:** RE:

Good day Boss,

Suburban:

The mechanic gave a verbal estimate of \$2,000 to move the existing coach seats back and re-carpet the vehicle. He is still looking into adjustable coach chair rails and harness. (He thinks the adjustable solution will provide more comfort) The physical estimate will be ready by 9/17 for submittal and approval.

Soundproofing the projector:

The additional sound dampening material and the fiberglass matting have been ordered. Estimated date for delivery is 9/19/14.

Terrence:

James and I met with Terrence to review the tower project in detail. James and I also walked the LSJ, tower, and the various data junctions. James will give his final report to Rich, if all is approved, the second payment released to Terrence and he can move forward and complete the project.

Regards

JRuan
