Still in Prague, all is well. =li has been contacting me lately and he mentioned yesterday that you calle= him. He is a nice guy, but very into the spotlight, media attention=2C gossip, etc., so I would be a little cautious. I wou=dn't have your picture taken w him for example, or tell him anything you=wouldn't want repeated.

Hope all is fine in Paris. Prague is cold b=t the girls are warm :)
