The arrival slot for Geneva at 12:30 p.m. Local Time is approved.

The departure slot for leaving Geneva at 6:00 p.m. IS NOT AVAILABLE.

The next earliest slot for leaving Geneva is at 4:55 p.m. This slot has been confirmed. A0 Universal will monitor and try to improve our 4:55 p.m. slot time, but it is very difficult. But for now 4:55 is our approved departure time.

Will the 4:55 p.m. departure time be acceptable for you?
