Hi Jeffrey,

for your records your yahoo and flikr user/password is:

jeffreyepsteinorg@yahoo.com <mailto:jeffreyepsteinorg@yahoo.com>

[REDACTED]

- \* will continue with public profiles
- \* am going to create locked blogs.
- \* need to call the profile sites I've done to ask them how I can optimize=you.
- \* will then get science press material on/from you to put on news article=sites etc. You have some positive info on science sites but it only comes =p if you google your name with the word science.
