I understand. As noted yesterday, I need to discuss the mods we discussed on Friday with my engineering firm tomorrow as well as internal review.

I recognize that the "budgetary costs" I provide may influence your decision of this s/n aircraft acquisition.

If you want to discuss anything in particular, do not hesitate to call me on my cell [REDACTED]

Best regards,

Eric

Just finished my Passover Seder and looking at a piece of gefilte fish and horseradish.

I will spend some time tomorrow reviewing and I have a conf call set up with my engineering firm who has worked on 37 737's and is well versed in what our structural requirements will be for the modifications we have discussed.

If you want to talk, I am available all day tomorrow.

Best regards,

Eric
