Dear Jeffrey,

How are you?</=iv>

I wanted to ask you for your help with a hair special=st at Fekkai, didn't want to bother you much before and went to get cu=s elsewhere but this time it looks like my stain has grown out and I can c=t it and come back to my natural look with potential color correction. Tha='s why I wanted to see someone who I can trust, Thank yo= so much, It was great seeing you last Friday.

Best,
