Jeffrey

below is the estimated cost to raise the existing 6ft microwave dish to a approx height of 18ft from grade

material cost to install 20ft 6 inch pole is estimated at \$1400.00 Labor cost (1 man 2 days), not to exceed \$1500.00, Total estimated cost \$2900.00 not including taxes Zorro would purchase material and would assist RMC with install  
<=r> Richard Boltz would re install existing dish and align <=div> Estimated cost \$800.00, not including taxes Zorro would assist with dish install.

can we proceed?  
Brice
