Hi Jeffrey this is the the proof that she told me the dad was ill otherwise i= seems I invented a story. She wrote me to get in touch with her after than=s giving and I was about to call her tomorrow but I just wrote her if we ca= speak or meet this week. Is also true that she told me send me your showre=l and headshot as soon as you have it and I will see what I can do but sinc= I have no showreel and no headshot I never sent her any material.
