Subject: START BOOKING HOLIDAY JET TRAVEL

Hi Jeff,

Have you locked up your favorite aircraft for Thanksgiving and Christmas? It will be here before you know it.

Since it's on your mind, take 30 seconds right now and reply with your trip details. Please include departure location, destination, dates, number of passengers and any preferences.

We will take your request live to the market and present you with multiple aircraft and competitive pricing options from top operators.

Star Jets International works for you, the client. We don't work for the airplane operator or owner. All aircraft are Argus and Wyvern safety rated, always come with two pilots, and we guarantee a backup jet=2E

Let me know if you have any questions.

Best regards,

Ricky Sitomer
