Another update. Mom and Dad's home is now in =eril. The fire that started west of their home on Sunday, then lessened =esterday, is raging now. It's coming down Mt Veeder, the =ountain that they are at the bottom of (sorry for the dangling =reposition). Their home is not in evacuation area now but we suspect it will be. =orse news is that the bad fire winds are coming back for tomorrow =Wednesday) and Thursday. Not as bad as the Sunday winds that started =he fire, but not good. All five of us are staying at a friends house in the center of town tonight. We are all safe. =nbsp;In the morning we will discuss leaving the area until the fires =re over.
