Jeffrey,  
I have GIV routine Maintenance due in December.,

-landing gear corrosion inspection  
- below emergency exit window corrosion inspection -comply with service bulletin to repair DU885 tone issue, it's a software up=ate only Gulfstream can complete., Approx 4 to 5 day total down time.,

I'd like to start work Nov 28th in Palm Beach if you still plan to use Boein= after 28th?

Please advise if this is a good time to accomplish this work?

Thank you

Larryv
