Jeffrey, </=pan>

I am so lucky and I am grateful f=r the day I met you! I can't believe that all this time (4 y=ars) we are still together. There no enough words to express my =hankfulness for all you have done and do for me: food, r=nt, clothes, dantist, my dream to be in school and career opportunities.=C2◆ Everything that no one else would do for me and I wouldn't be able to do on my own ( or it wouldn't be t=at simple ) So many times you were there for me to help when◆=A0no one else was there.

I might be repeating myself but I st=ll want to let you know that I don't take it all for =ranted. You are really amazing and special person for me ... ◆=A0And I don't really need this list with the data on e=penses because I think you have done for me more than that... One◆=A0day I would like to pay you back and no matter what and =hen I am always there for you <3

<=iv>Sorry for lo=g and tiresome email :) but it the only way you can listen =or the whole things haha and the only way I can ful=y and clearly express myself.
