=ey E,

=o:p>

=interesting round table talk.. The USVI's are duty free therefore we can enter on=a commercial document and charter in US waters. We can't charter =n Puerto Rico or the Spanish VI's as they are a duty paid and need a cruising permit. I could take the Blacks to PR but we would need to be on out Private document..

=o:p>

=m sure it's a bit more technical than that but that's my understa=ding..

=o:p>

=e were on sea trial last night until 1am all systems were go but the Port Eng= started to overheat at higher RPMs. The boys should have it fixed in =he next couple hrs and we will be heading out again for another test. With som= luck the yacht will be leaving for the crossing tonight! =/font>

=o:p>

=ood news!! We passed the Lloyds' 15 year survey!! As you know from the in=oices this is a lot of work and a really big deal!!
