Jeffrey-let me give you various updates. Important to note, however, that while I'm firmly in the loop on taxes, barry is quarterbacking (supervising joslin and tom) on our various 2017 filings, including for tax year 2016. I've copied barry who should comment or augment.

1. CF-ldb to review on his return to NY tomorrow.
2. Estimated tax payments-we are getting final updated info from apollo wednesday with respect to 2016 and most recent 2017 projections. (Yes, this is really late but we don't control it.) Unless something changes we will be using 110% safe harbor for state and federal 2017 estimates. Current estimates--subject to adjustment--is 110% of 28 federal and 110% of 18 NYS.
3. Gift tax returns- Tom believes he is done (w/your review) and is ready to file 4/18.
4. Income deferrals from to 2017 to 2018.... We should discuss.
5. Boat-now structured so held by a foreign corporation. Capital losses available on sale.
6. Plane-on extension; RJ has book financials.
7. Art partnership is active but it is a disregarded entity for tax purposes.
8. Financial statement for UST -joe is working on now. We usually submit in may; this year will be in april.
9. Next tra payment to be r'cd between april 7 and 10 unless apollo informs us otherwise. I don't know character of income. We'll ask RJ.
10. Fbars-under extension; we've filed in june last couple of years; same plan this year. Ldb shld not have 2016 phaidon related accts (bjw will).
11. Gaming commission-as usual will coordinate with akin; next filing due in june.
12. Facta-will get filed with 10/15 tax returns.
13. Phaidon structure-trusts and jmwtt llc (all U.S.) own phaidon global (U.S.). Phaidon Global owns 49% of Phaidon LLC (U.S.). Phaidon LLC owns jmwtt limited (british) which in turn owns phaidon press (uk operating co).

Let's discuss as necessary. Barry, feel free to augment. B Sent from my Verizon Wireless BlackBerry
