> sorry sorry I expect this natural disaster of a media shit storm will last the month. like a hurricane or tsunami, little can be done to effect it.= if you stand up now , it is not without risks, the press only wants to complete its version of a salacious story , not hear the truth, so any denial= will be met with a stronger wind of allegations . Unfortunatley I think=after its over this time , and it will be,= again, we will need to assess damage and begin a strategy to rectify, modify, but it will not be the same. you are physically fine, as am I . I however recognize that that is little comfort at the moment. yes sara hirsh security clearance did not check , she was trouble and a liar. and I told her in a nice way . the o=g is a fake,

[REDACTED] just spent an hour talking to me on the phone about how he was advised to react when press confronts him. He was told by a crisis manager that it's a matter of time. And everyone is urging me to get a lawyer and speak out if the claims are really not true. Can't process it at the moment, little overwhelmed watching everything spin out of control again
