Jeff:

janet's having a difficult day and her care-taker had to leave and won't be back until 8 tonight. I'm afraid is not a good time to leave. I can come by in the morning, early for a quick visit or we can postpone until June 30, when we return to NY for a follow up dr visit.

Janets recovery is going well, but with some difficulty. Let me know if we can move visit to the morning before you depart. Thanks for your understanding. TK
