Greetings =ich,

The update from Tropical Shipping in FL on the container is =t sailed on Monday, 10/2, and is expected to arrive on STT on Friday =0/6/17.

I think the plan to have Larry bring hard copies =f the invoices for the cargo in that container with him on Thursday is =he best option we have at this point for facilitating access to the =documents. I will call you later to see if you can get online for = copy of the BOL and he can bring it as well.
