CHANGE LIVES, ONE NOTE AT A TIME

Whatever your passion, it's our mission to help you be better at doing what you love. All you students and coders, academics and gamers, writers and artists – we're talking to you.

And we'd like to hear back!

Because this month, we're partnering with Project BINK so that you can share your passion – and your discovery of focus@will music – to make a difference in someone's life.

When you share your story, you'll inspire others to follow their passion too.

You'll also have the chance to win great prizes, like a GoPro Camera or a trip to Hollywood for a professional film shoot and tickets to the Hollywood Bowl!

All you need to do is record a 2-4 minute video where you tell us:
How has focus-boosting music changed your life?
Specifically, how has it helped you pursue your passion?

Maybe you aced a test, got a promotion, wrote a slick piece of code, or finally finished your creative masterpiece. Whatever your story, people want to hear from you!
