JEFFREY!

Interesting to get this =ow.. You have been in my thoughts many times this past week. Robin =nd two of our kids and I have been staying in a villa on =oustique, rented by Justin's girlfriend. It overlooks a =mall bay, and the turquoise water is enticing (to look at... =ou'll never catch me actually in it!).
The villa comes with = staff (including a terrific cook). I'm finally =93getting" the appeal of this =ifestyle...

Switching topics: Things at =inerva are going extremely well. We are almost done with the =irst semester, and everything is working! (Well enough =97 plenty of room for improvement, but we are doing what we =aid we would do.) PBS NewsHour spent two full days with us =ast week; we'll see how they edit it down to the =-minute segment they plan. Tuesday we will spend most =f the day with Newsweek— they've selected us for their =93Silver Bullet" special issue.

I'll =e in NYC from 20 - 28 of December. If you happen to be there =t any point during that window and can squeeze in an hour, I =ould love to get together...

Be =ell!!
