Subject: My plans for New York

Hi Jeffrey,

Here are my plans for New York. Any chance of seeing you. I arrive Thursday at 9 am free on Friday and Tuesday

Saturday afternoon 1.45 – 4.00 pm

Plenary: End of Life Experiences and their contribution to an understanding of Life and Consciousness.

(workshops from 2.30 – 6.15 look interesting and along the same lines as you. Though you are not involved I think you'll want to go.)

Sunday. Workshops 11.15 to 1.00 pm to 4:00 pm

How do we want to go?

Panels 2.30 – 4.30

Future of End of Life (with three other people, Jimcha Raphael, Leslie Blackhall, Anthony Bossis)

Monday 10.00 – 5.00

Examining the significance of end of life experiences for Living and Dying.

Yours is one of three workshops but it doesn't indicate how long each one is, although the third says it is a 'One day practicalum'

Sunday, Monday evenings all free, plus all day Tuesday. Friday there are evening plenary sessions but you I am not involved.

Why don't you come to the Saturday afternoon session?

Very much hope to see you,

Best Peter
