Subject: Escrow

Hi Joan

Would it be possible to set up an agreement for the sale of the following aircraft please:

2001 Bell 430,

Serial number - 49078,

Registration - N901RL.

Sale Price - \$1,600,000 (Less deposit)

Deposit due - \$100,000

Seller – Bovale Developments Inc

Contact – Mick Bailey

Buyer – Hyperion Air Inc

Contact – Larry Visoski

The buyer and seller would both like to transact the deal this week if possible subject to the paperwork going through smoothly. As part of this deal PremiAir will be filing an invoice for commission and outstanding engineering debts to be paid directly from escrow at closing by the seller which has been agreed. The invoice will be for \$186,300 US Dollars, the balance of the amount will be returned to the seller. Of course we will send you authorisation from the seller to confirm this.

Are you also able to advise the cost of any fees involved in this transaction.

Kind regards

Craig Lammiman
