In many other countries, an argument can be made that universities =upport government policies that may be objectionable, through their resear=h, acceptance of funding from the military and intelligence agencies, and =ilence in political controversies. Israeli institutions, however, are the =nly ones subject to an international boycott.

Despite Flaws, Stanford Study of Jewish Students Gets It Mostly Right

When you see the name Stanford attached to a research project, it's usually worth taking seriously. Therefore, I was interested in a recent report put out by the Research Group of the Concentration in Education and Jewish Studies at Stanford's Graduate School of Education.

The study, titled "Safe and on the Sidelines," challenges the conventional wisdom that college campuses have become unsafe for Jewish students.
