Greetings Rich and John,

I spoke with Paul Kalloo =indly requesting he reach out to Director Oriol for permission to =roceed with a site visit for next week. Mr. Kalloo said he =ntended to email the Director, and has already started his initial =eviews.

Unfortunately Mr. Kalloo does not think a site visit next =eek is probable as there are already other projects in his cue that are =ime sensitive, and he still has to wait for confirmation from the =irector that it would be allowed.

Kind regards, Daphne
